The following is an examiner's statement of reasons for allowance:

The prior art does not disclose to form a high voltage gate oxide film on the buffer nitride film and etching portions of the high voltage gate oxide and buffer nitride films disposed over the low voltage device forming region leaving the high voltage gate oxide and buffer nitride films intact on top of the high voltage device forming region in conjunction with the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
